Statement of Account Responsibility.

Anyone who is provided access to University computer facilities assumes responsibility for their appropriate use. The following activities are strictly prohibited:

- Examining another individual's files without authorization.
- Circumventing system security.
- Interfering with normal system functioning.
- Sending fraudulent, annoying, or obscene messages.
- Sharing a password or making an account available to someone else.

By signing this agreement I agree to abide by the restrictions above as well as the statement on "Misuse of Computer Systems," printed in the Harvard FAS/GSAS Handbook for Students.

I agree to the statement above and to use the guidelines in the FAS Computer Services handout "Choosing a Good Password."
